

**DW Pro 2 USB** 

### **DW PRO 2 USB**

DW Pro 2 USB is a double-sided premium wireless DECT headset for quality-conscious business professionals demanding exceptional performance and supreme comfort. Designed for all-day use, the DW Pro 2 USB connects directly to your soft-phone/PC to deliver excellent sound quality around the office. The iconic design of the DW Pro 2 USB puts it in a class of its own.

#### Sound leadership

Featuring Sennheiser Voice Clarity and an ultra noise-canceling microphone, the DW Pro 2 USB gives users a natural listening experience while maximizing speech intelligibility for both speaker and listener. Advanced wideband audio and DSP (Digital Signal Processing) ensure clear, detailed sound for a better conversational experience in even very noisy working environments.

### **Quality design**

With its award-winning iconic design, the DW Pro 2 USB stands out for style and performance. From its distinctive base station, with simple set up and intuitive user interface to its fully adjustable headset equipped with soft ear pads, the DW Pro 2 USB is designed to both look good and provide exceptional all-day wearing comfort.

#### **User focus**

DW Pro 2 USB is designed to maximize productivity and flexibility in busy offices with its long distance wireless range up to 180 m (590 ft) with line of sight and 55 m (180 ft) in a typical office environment. A DECT protected frequency band eliminates interference with WIFI networks and efficient encryption ensures secure conversations. Easy call management, convenient phone conferencing and hot desking offer maximum flexibility.

With 8 hours of wideband and 12 hours of narrowband for a full workday of talk time, the DW Pro 2 USB features intelligent fast charging, which delivers 50% in just 20 minutes. ActiveGard® provides protection from acoustic shock and a volume limiter guarantees a safe sound level at all times.

### **Features and Benefits:**

- Sennheiser Voice Clarity wideband sound for natural listening experiences
- Connects seamlessly with your softphone/PC
- Ultra noise-canceling microphone for perfect speech clarity
- Digital Signal Processing for echo canceling and audio equalization
- UC optimized for maximum productivity with leading UC platforms

- Iconic design form and function combine for premium looks and performance
- High comfort wearing style with extra soft ear pads
- Lightweight headset design for all-day comfort
- Simple product setup with DIP Switches
- Intuitive user interface with answer/end\*, microphone mute and volume +/-
- Full workday of talk time 8 hours of wideband and 12 hours of narrowband
- Intelligent fast charging delivers 50% in just 20 minutes
- DECT protected frequency band without interference with WIFI networks
- Efficient encryption for secure conversations
- Long distance wireless range up to 180 m (590 ft) with line of sight – 55 m (180 ft) in typical office environment
- Hot desking with fast, secure pairing– simply dock in the base station
- Online phone conferences intuitive and easy setup with up to 4 headsets with same base station
- ActiveGard® technology hearing protection against acoustic shock
- \* Answer/end call requires Sennheiser software for certain softphones

### **Experience Sennheiser**

Perfection is always relative: Users have different expectations from their headsets and speakerphones depending on their needs. For professional users, that need is to communicate as effectively as possible.

With Sennheiser's range of headsets and speakerphones, the combination of exceptional HD sound, quality design and build – and a focus on real life usability – give the best performance possible in busy offices, call centers and Unified Communications environments.

Please visit us at: www.sennheiser.com/cco

Sennheiser is one of the world's leading manufacturers of headphones, microphones, wireless transmission systems and high-quality headsets for both business and entertainment.

Drawing on the electro acoustics expertise of Sennheiser and the leading hearing healthcare specialist William Demant, Sennheiser Communications' wireless and wired headsets and speakerphones for contact centers, offices and Unified Communications professionals are the result of Sennheiser's and William Demant's joint leadership in sound quality, design, wearing comfort and hearing protection.

For further information, please visit: www.sennheiser.com/cco
